

Harley Davidson Riders' Visit to FONFA Museum - 17th June 2018

On Sunday 17th June - Father's Day -the UK Harley Davidson Riders visited the FONFA Museum at Bransgore, on one of their scheduled weekend runs. Twenty one riders brought their varied motorcycles to the Museum and enjoyed a couple of hours, being shown the Museum exhibits by John Brooks, Trustee and former Chairman of FONFA.

We have a shared interest in quality engineering and history, so the Trustees hope that this will become an annual event, to be enjoyed by all.
