

VOLUNTEER GARDENER

Role

FONFA is responsible for maintaining the New Forest Airfields Memorial in Bransgore - please see our website <https://fonfa.co.uk/> to see the Memorial . This includes the area that surrounds the memorial.

Responsibilities

The volunteer in this role will be responsible for maintaining the area to keep it clear of weeds and overgrown hedges. In the future, there may be the opportunity to create some planting which would then also require maintenance.

Skills and experience

This role lends itself to someone who enjoys this element of gardening and is keen to maintain the area out of respect to those it commemorates.

Commitment

This is an ongoing commitment throughout the year, but you can self-manage your time in doing this. If more than one person volunteers, then the role can be shared and you will be responsible for agreeing a roster with the other volunteer(s).

Contact
